

An abstract sculpture made of clear plastic, filled with a liquid that glows with blue and green light. The liquid flows in a continuous, swirling pattern, creating a dynamic and fluid form. The sculpture is set against a black background, which makes the glowing liquid stand out.

matinee and evening shows

Tickets available at:
www.ticketsource.co.uk/classaction

*A time to learn.
A time to rebel.
A time to love.
A time to burn.*

*A group of teenagers - silenced and
controlled by a censorious society -
discover a new world of feeling and
freedom outside the classroom, with
beautiful and devastating consequences.
An acclaimed musical, based on the
ground-breaking and once-banned 19th
century play by Frank Wedekind.*
