

## Godalming College Discretionary Bursary Fund Information 2022 – 2023

Godalming College has a bursary fund aimed at supporting students to overcome financial barriers they may have when attending our College. If you have concerns about being able to meet the cost of transport, necessary equipment for your College courses and/or trips then you should consider applying for a bursary. All information provided to us is treated in the strictest confidence and we are happy to answer any queries.

The Discretionary Bursary Fund is for students who face genuine financial barriers to attending College. A bursary is awarded for specific educational requirements and cannot be awarded for costs unrelated to your programme of study. Bursaries tend to be given for transport, course costs, books and equipment.

If your annual household income is £28,000 or less you may be eligible for a discretionary bursary.

### **What can the bursary fund help me with?**

#### **Laptop Assistance**

The College Bursary has a reasonable supply of laptops that are able to be gifted to students in receipt of a College bursary. These are allocated on a first come first served basis, so if this is something that you need assistance with please stipulate on your application form.

### **What can the College pay for?**

- Public transport travel costs – to receive financial assistance for your travel costs you must live over 2 miles away from the College site. We recommend purchasing a 16-17 saver card or Surrey Student Travel Card to gain reduced ticket prices; the initial cost of purchasing these cards can be reimbursed by the bursary
- Books and equipment required for your courses
- Compulsory course related trips
- Other course recommended day trips
- Godalming College Sports Kit – for those students taking a sports course
- UCAS fees – if you apply to university the College may be able to cover the cost of your online application
- Industry placements, University interviews and Open Days – if you are going to incur costs from attending an industry placement, university interview or open day then we may be able to help. We are able to offer reimbursement of public transport costs for the student to travel to their destination. If you feel other financial assistance is required please contact the Student Services Administrator to discuss this prior to the visit. The bursary can only support a maximum of 2 visits.

### What will the College not pay for?

- General living costs e.g. mobile phone bills/top ups, accommodation, utility bills etc.
- Petrol costs and costs relating to car travel – e.g repairs/insurance
- Car parking/fines
- Taxis or Ubers
- Assessment and examination fees
- Non Compulsory Residential Field Trips

We trust that students will use reasonable endeavours to purchase appropriately priced items. Please make sure you keep all receipts safely.

### Free School Meals (FSM)

The College operates a FSM policy. If you qualify you will be entitled to up to £4.00 a day of food and drink from the College’s catering facilities. Students will need to use their College ID Card to obtain their free meals allowance.
