Welcome to Godalming College

I am delighted that you would like to find out more about Godalming College.

We are very proud of our College, not only because of our proven track record of excellent results but because of our strong sense of community, with teachers and students working in partnership to enable your success. As specialists in sixth form education, we pride ourselves on the wide range of course choices we offer, both academic and vocational. This enables us to provide you with an individualised Study Programme to suit your needs, abilities and interests. As well as achieving qualifications, the College provides you with the opportunity to get involved in an extensive range of enrichment activities. The campus and specialist facilities to support your learning are first class. We are also proud that we are rated 'Outstanding' by Ofsted. We guarantee a vibrant and inspiring experience, with a strong emphasis on learning not only to ensure you achieve your potential but also to ensure you understand how to become more effective learners. The College is also an excellent stepping stone between school and university or employment.

I look forward to welcoming you to the College.

EMMA YOUNG
PRINCIPAL

Welcome from the Students' Union

College can sometimes feel like a huge step with lots of changes but as soon as you arrive you realise that you're not on your own and you soon settle in.

From the excellent and uplifting staff, state-of-the-art facilities and the vibrant community, Godalming College undoubtedly provides an embracing and welcoming atmosphere, that fosters both academic and personal growth with endless support and resources at your fingertips: from subject departments, enrichment programme and individual societies, Godalming College makes it easy to feel like you belong. This year, I am proud to be a member of the Students' Union, which aims to represent the student body as a whole: from any concerns or queries, as well as new ideas, the SU continuously strives to be your advocate. We sincerely hope that you too find your place at Godalming College. Please don't hesitate to contact us, if you have any questions or concerns.

Choosing your Study Programme

To help you choose your Study Programme use the more detailed course information on our website. We also strongly recommend you visit us for an Open Evening to gather as much information as possible about what is on offer, to talk to staff and students and to find out about College life. You will have plenty of opportunities to discuss your choice of Study Programme with our staff at a Course Advice Session, Going to Godalming (G2G) taster day and finally at Enrolment.

"Students thrive in the atmosphere of industrious learning that leaders and staff have created"

OFSTED 2019

Advanced Study Programme (Level 3)

ENTRY REQUIREMENTS

A minimum of 5 GCSEs at grade 9-4: see individual courses for additional entry requirements in some subjects.

Your Advanced Study Programme (Level 3) will typically consist of 3 core subjects; either A Levels, BTECs or a mixture of both. If you achieve at least 5 GCSEs at grades 9 – 4 you will qualify for a Level 3 Study Programme.

GCSE qualifications are the most suitable foundation for Level 3 study. A lack of GCSE English Language at grade 4 will significantly restrict Study Programme options. Equivalent qualifications at Level 2 in vocational courses (at Merit or above) are accepted where they are related to the course which has been applied for. However, these courses are not adequate for entry alone for an Advanced Study Programme and would always need to be accompanied by an appropriate range of GCSEs.

Access Study Programme (Level 2)

ENTRY REQUIREMENTS

An average overall GCSE grade of 3, based on the best 8 entries with at least 2 GCSEs at grade 4.

The Access Study Programme (Level 2) is devised to facilitate progression to Level 3 programmes. You will study 3 or 4 courses comprising GCSEs and Level 2 BTEC qualifications that you will complete in one year. This is to help you build the foundation for progression onto an Advanced Study Programme (Level 3) the following year at Godalming College.

As well as your core courses in both Level 3 and 2, you will also have a Personal Tutor who will look after you and monitor your progress on the course. We will also expect you to take part in our +Enrichment programme.

Examples of Level 3 Study Programmes:

Lower 6th	A Level Ancient History	A Level English Literature	A Level Economics	Tutorial	+Active Jazz Band
Upper 6th					Extended Project Qualification (EPQ)

Lower 6th	A Level Physics	A Level Computer Science	BTEC IT	Tutorial	+Explore Robotics and Coding Practical Podcasting
Upper 6th					Core Maths

Courses

Entry Requirements:

To study a Level 3 Study Programme, a minimum of 5 GCSEs at grade 4 or above are required plus any subject specific entry requirements, which are listed below.

A-LEVEL

Subject	English Lang	Maths	Science	Other
Art	-	-	-	Grade 4 in an Art based GCSE is preferable
Biology	-	6	66	Grade 6 in both Biology and Chemistry if separate sciences have been studied
Business	4	5	-	
Chemistry	-	6	66	Grade 6 in Chemistry plus another science at grade 6, if separate sciences have been studied
Computer Science	4	5	-	Grade 6 in Maths preferable. It is recommended that A Level or Core Maths is taken alongside
Design: 3D	-	-	-	Grade 4 or above in a Design and Technology or Art based GCSE is preferable
Graphic Design and Communication	-	-	-	Grade 4 in an Art or Design and Technology based GCSE is preferable
Drama and Theatre	4	-	-	Grade 4 in Drama if studied or performance/production experience
Economics	4	5	-	
English Language	5	-	-	Grade 6 in GCSE English Language is preferable
English Language and Literature	5	-	-	Grade 6 in GCSE English Language is preferable
English Literature	-	-	-	Grade 5 in GCSE English Literature is required. Grade 6 in GCSE English Literature is preferable
Environmental Science	4	5	55	Grade 5s in two separate sciences if triple science has been studied
Film Studies	4	-	-	
French	-	-	-	Grade 6 in GCSE French
Geography	4	4	4	Grade 4 in GCSE Geography if studied

German	-	-	-	Grade 6 in GCSE German
History: Ancient	4	-	-	Grade 4 in GCSE History if studied
History: Democracy and Dictators	4	-	-	Grade 4 in GCSE History if studied
History: Revolutions and Rebellion	4	-	-	Grade 4 in GCSE History if studied
History of Art	4	-	-	Grade 4 in GCSE History if studied
Law	4	4	-	
Maths	-	6	-	Grade 7 at GCSE Maths is preferable
Maths and Further Maths	-	7	-	Grade 8 or 9 at GCSE Maths is preferable
Media	4	-	-	
Music	4	4	-	Grade 5 in Music Theory and a Performance standard equivalent to grade 6
Music Technology	4	4	-	Grade 6 in GCSE Music or Grade 3 instrumental/vocal ability
Philosophy	5	4	-	Grade 5 in GCSE Maths is preferable
Photography	-	-	-	Grade 4 in a creative GCSE is preferable
Physical Education	4	-	44	Competence in at least one sport. Grade 4 in Biology if separate sciences have been studied
Physics	-	6	66	Grade 6 in Physics and one other science if separate sciences have been studied. It is strongly recommended you study Maths A Level alongside.
Politics	4	-	-	A good grade in GCSE History would be an advantage
Psychology	4	4	55	Biology at grade 5 if separate sciences have been studied plus another science
Sociology	4	-	-	A good grade in English would be an advantage
Spanish	-	-	-	Grade 6 in GCSE Spanish
Textiles	-	-	-	Grade 4 or above in an Arts GCSE preferable

BTEC EXTENDED CERTIFICATE (EQUIVALENT TO ONE A LEVEL)

Subject	English Lang	Maths	Science	Other
Applied Science	4	4	4	
Business	4	5	-	
Dance	4	-	-	Grade 5 Dance is a good measure of technique but this or Dance GCSE is not required. A passion for dance and performance is important
Health and Social Care	4	4	4	
Hospitality and Event Management*	4	-	-	Merit in BTEC Level 2 First Diploma in Hospitality if studied
IT	4	4	-	
Music Technology*	4	-	-	Students will be proficient in at least one instrument or vocals
Performing Arts	4	-	-	Grade 4 in GCSE Drama, Dance or Performing Arts is useful but not compulsory. Passion and commitment to performance work is important
Sport Coaching and Development	4	4	4	
Travel and Tourism*	4	-	-	Merit in BTEC Level 2 First Diploma in Travel and Tourism if studied

*please note these qualifications lead to a Subsidiary Diploma (equivalent to one A Level)

BTEC DIPLOMA (EQUIVALENT TO TWO A LEVELS)

Subject	English Lang	Maths	Science	Other
Business	4	4	-	
IT: Web and Games Design	4	4	-	
Media: Creative Digital Media Production (Film and Television)	4	-	-	Merit in BTEC Level 2 First Diploma in Media or Grade 4 in GCSE Media Studies if studied
Performing Arts	4	-	-	Grade 4 in GCSE Drama, Dance or Performing Arts is useful but not compulsory. Passion and commitment to performance work is important

BTEC EXTENDED DIPLOMA (EQUIVALENT TO THREE A LEVELS)

Subject	English Lang	Maths	Science	Other
Sport Coaching and Development	4	4	4	A genuine interest in Sport is a requirement as performance is a major part of the assessment

+Enrichment

When you join the College, you will not only benefit from a first-class academic education, you will also be joining a vibrant learning community where your engagement and personal enrichment is a key focus.

We are delighted to be able to offer a wide range of additional options to develop and support you alongside your core academic or vocational subjects. Whether you want to try your hand at a new skill, play sport or music, get involved with exploring areas beyond the core curriculum subjects or strengthen your life skills of resilience, budgeting, time management or leadership, we have something for everyone. These additional options enable you to gain confidence and broaden your experiences to support your next step, whatever that may be. In the first year, our +Enrichment Programme has three pathways: +Explore, +Active and +Qualifications.

- ▶ The **+Explore** pathway provides you with a range of short courses to choose from. Students will study two of these, one in the Autumn Term and one in the Spring Term.
- ▶ The **+Active** pathway includes sport, music, drama, Duke of Edinburgh and eSports, which run for the majority of the year.
- ▶ The **+Qualification** pathway offers accredited courses such as the Arts Award Gold and Core Maths.

The following pages will give you a flavour of our extensive range of options.

In your second year, the +Enrichment programme provides you with an opportunity to continue with +Active, or instead take an additional qualification to support your application to competitive destinations. For example, the Extended Project Qualification (EPQ), Core Maths or the Arts Award Gold. Alternatively students can complete a study skills and employability course to help with future job applications as well as to further develop valuable study skills such as organisation and revision. In addition we have plenty of student-led activities and societies to join in with. In short, we are confident we have something for everyone. Our +Enrichment Programme helps Godalming College students stand out from the rest when making applications for university, jobs and apprenticeships.

Henry Chadwick

When choosing A-Levels, I saw Music Technology as an opportunity to extend one of my hobbies into an academic subject. Whilst the written side of the course is focused on the history of recording and producing, the coursework allows you to show your more creative side.

Being in the College Jazz Band has given me an opportunity to make friends and develop my musical skills simultaneously. The music enrichment is great for anyone who wants to share their passion with like-minded people.

Music Tech, Computer Science, English Language, EPQ and Jazz Band

+Explore

There are a range of short courses on offer to provide you with the knowledge and experience to support you as you develop your future plans beyond College.

The list below is an example of the options available. Please note that this range of courses varies each year and will run subject to demand.

- + Architecture of the World
- + Arts for All
- + Dance and Drama School Auditions
- + Debating
- + Dissection Club
- + First Aid
- + Forensics
- + Human Rights
- + Introduction to Engineering
- + Introduction to Photoshop
- + Investment Society
- + Journalism
- + Law for All
- + Magazine Production
- + Photography
- + Practical Podcasting
- + Robotics and Coding
- + Spanish for Beginners
- + Sustainability
- + TEFL
- + Yoga

"...Students benefit greatly from the newly introduced '+enrichment' programme. They enjoy their learning and understand how their extra study enhances their career prospects."

OFSTED 2019

Ellie Smith

The lessons are always engaging and exciting, the teachers could not be more passionate and helpful, and there are always lunchtime workshops to attend if you need help in any area of the course. I am planning on university and possibly becoming a teacher myself, I wouldn't have chosen to do this if it hadn't been

for the inspirational teachers who gave me so much support with my application, and who encouraged and fostered my love for these subjects.

**History, Politics
and Geography
EPQ and Aspire**

+Active

Sport

Godalming College has some of the best sports facilities in the area. We have high specification netball/tennis courts, international standard rugby and football pitches, plus a county-size, fully equipped sports hall. We have a fantastic reputation for competitive sport and offer a full programme of team sports. We also believe that sport should be for all and therefore we offer opportunities for all students who want to remain fit and healthy.

Competitive Sports

- + Men's Football (Three Teams)
- + Women's Football Team
- + Men's Rugby Team
- + Women's Rugby Team
- + Women's Netball Team
- + Mixed Basketball Team
- + Mixed Hockey Team

Other Opportunities

- + Fully equipped gym with personal training options
- + Badminton
- + Cricket
- + Trampolining
- + Tennis
- + Volleyball
- + Explore options: 5-a-side Football, Run 5K, Yoga

"We believe sport should be for all"

+Active

The Arts

DRAMA, DANCE AND MUSIC

The Arts are an integral part of the College community with many students coming together to celebrate their talent regardless of whether they study an Arts subject or not. The College has been awarded the Platinum Artsmark by the Arts Council which recognises the outstanding Arts provision at Godalming College including state-of-the-art resources, specialist teaching, links with industry and community organisations and our commitment to developing the Arts. Godalming College is one of only a handful of sixth form centres in the country to have achieved this accolade. We also promote best practice by running keynote speaker and CPD sessions for teachers in other colleges.

**Artsmark
Platinum Award**
Awarded by Arts
Council England

*"Students greatly enjoy
their time at college and
relish their education."*

OFSTED 2019

Drama and Dance

The theatre company "ClassAction" at Godalming College is a centre for excellence in Performing Arts and offers a unique training environment that is inspiring, nurturing and supportive. Alongside training from our own teaching staff you are regularly invited to work alongside industry professionals to ensure the training you receive is the best it can be.

Music

The Music Department is vibrant and productive at Godalming College with many performing opportunities throughout the year as part of the Concert Orchestra, Contemporary Choir (Godalming Singers), Chamber Choir, Jazz Band, the Function Band or one of our many chamber ensembles. We regularly take trips to London to see professional musicians/orchestras perform and welcome all students with a passion for any kind of music. The Music Department has received the Music Mark in recognition of its excellent student experience and progression.

Duke of Edinburgh's Award

The DofE is all about gaining new skills, pushing yourself physically, helping others and exploring new things. Join over 100 students working towards their Silver and Gold Awards. It's a great way to make new friends, and your teamwork and leadership skills will impress future employers and universities.

eSports

The eSports group supports students who wish to participate in competitive gaming as part of a team. The eSports event industry is growing rapidly and the latest government figures showed it contributed more than £100 million to the UK economy. We currently enter teams into the following British Esport Championship leagues:

- ▶ League of Legends
- ▶ Overwatch
- ▶ Valorant
- ▶ Rocket League

We also have the option of entering the Association of Colleges FIFA league.

Kayanna Moutarde

The BTEC course has been a real eye opener and I feel much more prepared for the real world. It is intense, there is a lot of coursework and deadlines that must be met. However, as someone who is really anxious about exams the BTEC course

has allowed me to showcase my talent and knowledge, allowing me to excel in the subject. The teachers are so helpful, and they really make you feel valued as a student.

**Hospitality and
Event Management,
Business**

Abdulai Yusuf

I am studying Maths, Physics and Computer Science A Levels at Godalming. I also use the Learning Support Department, which is a really positive environment and definitely a great place to study.

I am going to do a Mechanical Engineering degree at university. I really want to work in a car company as I find engines fascinating.

I also want to DJ as this has become important to me during my time at College. I use my Mathematical knowledge to produce music and am currently producing an album with the theme of space. The first song is called June in the Air Part 1. Watch out for it on streaming services!

Maths, Computer Science, Physics and Aspire

+Qualifications

Students can opt to take an additional qualification to complement their core programme. These are all one year courses unless stated. Choose from the following:

First Year

- + Core Maths – Level 3
- + Arts Award Gold 2 Year Course – Level 3

Second Year

- + EPQ – Level 3
- + Core Maths – Level 3
- + Arts Award Gold Accelerated 1 Year Course – Level 3
- + AS Further Maths
- + Music Practitioners Course – Level 2 ('Rock School')
- + Community Sports Leaders Award – Level 2

"The proportion of students who make better than expected progress is very high."

OFSTED 2019

Jess Franklin

Coming to Godalming College was one of the best decisions I have made. I came from a very small secondary school where I was the only person to leave and come to Godalming, so it really pushed me out of my comfort zone to meet new people, branching out of my local area. Experimenting with new creative

techniques has been a highlight. The facilities available for all creative arts students at Godalming College are the best I'd seen in all the colleges I'd looked at, which paired with the support from the teachers has really brought out the best designer in me.

Graphics, Art and English Language

Student-led Clubs and Societies

Other Clubs and Societies

In addition to +Enrichment, the College also encourages students to create their own clubs and societies to meet new people and pursue their interests.

If you have something else in mind our Students' Union and Student Activities Officer at College will help to create and support a club or society which promotes your interests and aspirations.

+True Adventure

Each year an intrepid group of student volunteers join an expedition to a developing country to learn more about the culture and community. They take part in a challenging expedition and work on a community project which often involves building, decorating and refurbishment to provide amenities for local people.

Other Clubs and Societies

- | | |
|-------------------------------|-------------------------------------|
| + Book Club | + Harry Potter Appreciation Society |
| + Christian Union | |
| + Games Club | + POC Society |
| + GCTV (Godalming College TV) | + LGBTQ+ |
| | + Youth Parliament |

Support for Learning

All of our students are supported on an individual basis in terms of their learning and academic progress, as well as with their well-being.

Personal Tutors

College is all about transitions; from school into College and, almost as soon as you have settled here, from College to university or employment. You will be assigned a Personal Tutor who will be there to support your progress, offering help when necessary and encouraging you to take responsibility for your learning and your future. You will meet with your Tutor once per week and they will guide you throughout your time at College.

Senior Tutors

Our Senior Tutor team are also trained safeguarding leads who work with students on a range of both personal and academic issues. The Senior Tutors know that welfare is key to academic progress and are committed to working with you to help you meet your potential. Senior Tutors have an open door policy and you can either contact them by email, book an appointment or drop in if they are free. They, alongside your Personal Tutor, will help to signpost you to internal or external forms of support.

*"Almost all students
know how to improve
as a result of the clear
and effective feedback
they receive from their
teacher"*

OFSTED 2019

Support for Learning

Shaping Futures

'Shaping Futures' is the name we give to our tutorial programme. The Shaping Futures programme is designed to build your life skills and support you with your study skills as well as with your planning for your next steps beyond Godalming.

There are additional sessions in the first term to help you settle into College. There are also sessions built into the programme for one-to-ones with your Tutor, so that you can review your progress on a more personal and individual basis. In addition we cover topics relevant to current affairs and issues affecting young people such as wellbeing and personal safety.

Student Reviews

Student reviews, which are issued to all students and their parents twice a year, give an account of progress in terms of attendance, approach to learning and performance. You will have an individual review of progress with each of your subject teachers four times across a two year A Level/BTEC programme.

"Disadvantaged students and those with special educational needs and/or disabilities (SEND) receive useful support both within class and from specialist support teachers."

OFSTED 2019

In addition, you will meet with your Personal Tutors several times a year for a progress check. There are Parents' Evenings across the two years when parents can meet with subject teachers to discuss academic progress.

Curriculum Support

Departments run workshops which you will be able to access if you are struggling with a particular aspect of the course or if you feel that you would welcome the extra input. The department may also place you on a supportive action plan in order to set you clear goals to get back on track. If you are finding multiple subjects difficult, you may be appointed a Learning Coach, who can work with you to discuss your vision and skills.

Learning and Study Support

Learning and Study Support is available to all, enabling students to complete their courses successfully. All students will take part in an initial screening process and will complete a learning support questionnaire. This is to help us to identify students who might benefit from extra support. Further in-depth assessment may be carried out, if necessary, to identify exact needs. Students are encouraged to make use of the support offered and to talk to us about any concerns they may have.

A Variety of Support is Offered Including:

DROP-IN LEARNING SUPPORT available to anyone who would like some help with their work.

INDIVIDUAL SUPPORT both long and short term depending on need.

ASSESSMENT FOR EXAM ADJUSTMENTS e.g. extra time, reader, computer, scribe, etc.

SPECIALIST SUPPORT FOR A WIDE RANGE OF NEEDS AND DISABILITIES such as Dyslexia, Dyspraxia, ASD, ADD/ ADHD and mental health needs.

Safeguarding

Godalming College promotes the importance of student safety through our Safeguarding Policy, which highlights that safeguarding is everyone's responsibility. In Safety, Wellbeing and Life Skills Weeks you will learn about how to keep yourself safe, both now and in the future. All staff at Godalming are totally committed to the safeguarding of our students and will liaise with external agencies when necessary. The Safeguarding Team comprises the Assistant Principal, Director of Safeguarding and Intervention, the Senior Tutors, Head of Learning Support and the Health and Wellbeing Coordinator.

College Counselling Service

We have a counselling service for students located in the Gill Student Centre and run by BACP accredited counsellors. The service is available five days a week. You can simply call in or book an appointment by phone or email for this free, confidential and impartial service.

Financial Help

The College is able to offer financial assistance in the form of bursaries to help students with the direct costs of study, such as transport, books, equipment and exams. It is available to students who may have difficulties in completing their courses because of financial considerations or for unforeseen emergencies. You can contact our Student Support Team if you are not sure whether you may qualify. Further information is available from the College website or Student Reception.

"Everyone is very supportive toward the students, it feels more like a family than a school"

**LEARNER VOICE SURVEY
2022**

Support for Progression

Progression and Careers Advice

Our Progression Department assists students in planning for their future. It is a well-resourced department and students can access a wide range of online careers resources and guidance software through Godalming Online. Our professionally qualified careers staff offer advice on preparing a CV, applying to university, specialist art/music/drama courses, gap year opportunities, employment and training.

All students have access to one-to-one guidance interviews.

STEM

STEM has become a well-known acronym for academic study in Science, Technology, Engineering and Maths. At Godalming College we have invested in specialist teaching time and resources to support students who wish to succeed in these areas by introducing additional challenges, visiting speakers, regular trips and increasing links with universities and industry.

Aspire Programme

There is an additional programme of support for progression for those students whose ambition is to gain a place at Oxford or Cambridge, or to apply for highly competitive courses such as medicine and veterinary science, or indeed other specialist courses such as Art Foundation. Our bespoke programme offers structured and dedicated support.

- + **Entry to national competitions, Olympiads and challenges**
- + **Trips to enrich your learning experience**
- + **Specialist interview preparation or audition practice**
- + **One-to-one mentoring opportunities with both staff and fellow students**
- + **Support with UCAS applications, skills tests and personal statements**
- + **Visits to universities or visits to College by university lecturers and admissions staff**
- + **Access to one-to-one guidance interviews**
- + **Art Foundation support with portfolio building for specialist arts courses**
- + **Extended Project Qualification (EPQ) to enhance your knowledge and skills in an area of particular interest**

"Most students progress to their first choice of university or specialist college."

OFSTED 2019

Matthew Grigg

Studying Geography at Godalming has broadened my love for the subject. I was inspired to complete an EPQ on urban sustainability which has really enhanced my enthusiasm for human geography. In the first year I did an enrichment course in International Development, which was beneficial.

Later this year I will hopefully be studying Geography at the University of Oxford - an exciting opportunity that the College and Geography department have helped me access.

Geography, History, Biology, EPQ and Aspire

Outstanding Resources

At Godalming College, as well as fantastic teachers, we provide you with a first class range of facilities and resources to support your learning.

The campus is for the sole use of Godalming College students and we are very proud of our campus facilities.

+ Attractive and comfortable social spaces

+ Industry standard resources

+ Excellent performance spaces

+ First rate
food outlets

+ Dedicated
studio spaces

+ Dedicated
study areas

+ Specialist
laboratories

Bringing Learning to Life

The College offers an impressive range of study trips and visits across many subject areas.

These will help stimulate your interest and understanding of the subjects you are studying and broaden your education. They also provide great social and cultural experiences, enabling you to mix with staff and students in a completely different environment.

"Staff make sure that students learn to work well together."

OFSTED 2019

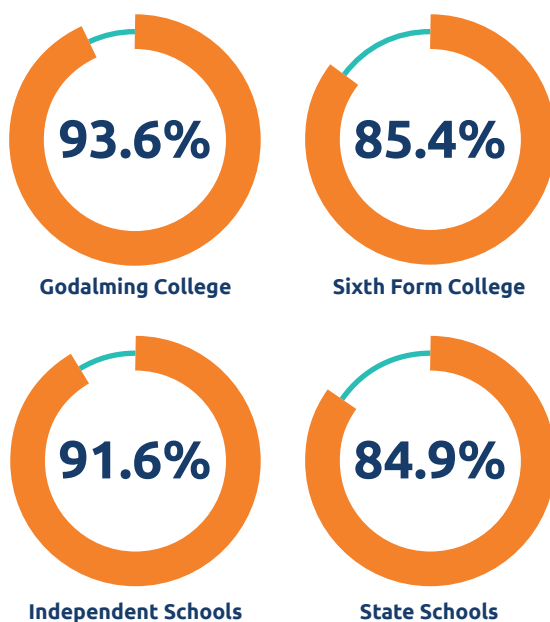

Student Progression

Enabling students to successfully progress after Godalming is a key priority for us.

We take pride in supporting students with their applications to their chosen destination whatever it may be. In addition to a coordinated approach to progression in Personal Tutorial sessions we also run a bespoke 'Future Fridays' programme to help students understand all their progression options. As a result, students leave Godalming with confidence and optimism about the future.

We are particularly proud of the Higher Education Statistics Agency (HESA) data shown here which demonstrate that the education and all-round experience that students have at Godalming is excellent preparation for success at degree level.

Degree Classification 1st Class and 2:1

Source: Higher Education Statistics Agency (HESA), graduates 2021

"Very many students from Godalming College go on to gain first class or 2:1 degrees."

The Application Year

Application Form

Complete the online Application Form at www.godalming.ac.uk/applying. This must be submitted by 31st March 2023.

Course Advice Session

Agree your Study Programme by attending a Course Advice Session between September 2022 – April 2023.

Enrolment

A date and time for your enrolment will be sent to you before the end of the Summer Term. Enrolment will take place after the publication of your GCSE results.

Open Evening

Visit us on an Open Evening on 9th November 2022 or 5th July 2023 to discuss options with teachers and current students.

Completed Application

We will confirm receipt of your application by email. Login to your applicant account to see your application and send messages to Admissions.

Going To Godalming Day

Experience a day at Godalming College and take a taster of the subjects you intend to study at a Going to Godalming Day in the Summer Term.

Apply online at
www.godalming.ac.uk/applying

Travelling to College

In line with our unrelenting commitment to the protection of our environment, the College encourages students to use public transport, and works with local transport operators to give students more convenient access to services.

Travel Subsidies

There is a rail card for 16-17 year olds that provides a 50% discount off all rail travel. You will need to purchase the card via www.16-17saver.co.uk. Students living in Surrey and aged 16-18 can purchase an annual student fare card. This offers reduced fares on train and/or bus travel for journeys to and from College. Visit www.surreycc.gov.uk/schools-and-learning/schools/transport/16-plus.

Travelling by Bus

Stagecoach operates a Unirider bus service for Godalming College. Tickets purchased in advance include reduced price travel across the network during term time. For online ticket sales visit www.stagecoachbus.com/promos-and-offers/national/unirider.

Travelling by Train

The College is approximately 15 minutes walking distance of Godalming train station, which is on the main Waterloo to Portsmouth line with services operated by South Western Railway (SWR). For details of timetables and discounts available see www.southwesternrailway.com/train-tickets/railcards-and-discounts.

College Bus Service

College bus services operate from Farnham, Hindhead, Liss, Liphook, Rake, Bordon, Headley and Grayshott. More information on cost, bus routes and timings can be found at www.godalming.ac.uk/college-bus-service

Parking

The College has 220 spaces available for student parking on-site. As this is limited, priority for permits is given to those students who:

- ▶ live more than 1 ½ miles from the College
- ▶ live more than 1 ½ miles from a railway station
- ▶ are committed car sharers or who have a disability/medical condition
- ▶ are upper sixth students

Only safe drivers will be allowed on the campus. In order to park you must register your car details at Student Reception.

Motorbike and moped spaces are provided and cycle racks are available. Covered storage is available for 50 bicycles, and showers and lockers are available in the Sports Centre.

Disabled parking bays can be found at the main entrance to the College and the campus is fully accessible to wheelchair users.

The contents of this prospectus relate to the College year 2023/24. Whilst we make every effort to ensure that the detail is as up-to-date as it can be at the time it is printed, we reserve the right to make changes to the curriculum if necessary. Please refer to the website for the latest information.
