

Provider Access Statement

This policy statement sets out the organisations arrangements for managing the access of providers to students at the College for the purposes of giving them information about the provider's education or training offer. This complies with legal obligations under section 42B of the Education Act 1997.

Students are entitled to:

- Find out about academic and vocational qualifications, as well apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- Hear from a range of local providers about the opportunities they offer.
- Understand how to make application for the full range of academic and technical routes.

A provider wishing to request access should contact the Director of Transition & Progression, the College's Careers Leader, Adam Duce at:
